## DAWES GETS EARLY BUDGET ESTIMATE Support BUDGET ESTIMATE Commissioners Not Yet Sure daughter is mighty apt to qualify for the job. The most rabid prohibitionists I have ever met were the children of drunkards. All of which goes to show that heredity is mostly an excuse for self-indulgence and that we can exorcise whatever evil spirits our ancestors have handed down to us by the use of a little will power. It **DAWES GETS EARLY**

It Will Come Within \$25,000,000.

Preliminary estimates of District expenses for the next fiscal year will be sent to Gen. Charles Dawes, director of the budget, by the Com missioners today. Although Dawes will receive but an outline of ex-penses, it will indicate the amount allotted to each bureau of the Dis trict government by the Commis

sioners.
Commissioner Rudolph said yes terday that although the Commis-sloners had reduced the amount requested by many of the depart ments, he was not sure that the amount asked of Director Dawes was within the prescribed limit of

close to \$25,000,000.

Work on the estimates was abandoned yesterday by the Commissioners. Daniel J. Donovan, budget officer for the District, added the totals of the various offices and district to sale of the various of the various to sale of the various of the various of the various the various of the variou isions to secure the grand total which will be requested to operate the District government during 1923.

Should the total secured by Donovan exceed the amount of revenue which it is estimated will come into the District treasury, the Com-missioners will again have to go over the estimates and make still further inroads on operating ex-

There is no other excuse in the they would die drunkards and gamworld so overworked, going and blers, because their grandfathers coming, as heredity. Whenever a did. I have known men to sit down man and woman are quitters was and let their wives take in boarders to support them, because they gent to control their appetites un; in their family. I have known peopassions; whenever they are lazy ple to die of disease without making and triffing, they take no blame to an effort to live or be cured, because they believed that tuberculosis or cancer was hereditary in their blood.

I have seen women give full rein to their tempers and go into spasms of rage over every trifle because their grandmothers were viragos. I have seen women ruin their husbands by their mad ex-travagance because they said they took after some ancestor who was waster and a speader.

they are to their ancestors. The successful are apt to take credit their weakness. It gave them leave to do as they wanted to do one of them saw in their heredity a red light of warning

are self-made.

Heredity certainly has been a mantle of charity under which weaklings have taken refuge not only from their own shame, but from the judgment of society. And the amazing thing is how they have put it over on the balance of us and sotten sway with it.

"""

a red light of warning.

The boys who believed they were born with a thirsty throat and a yearning for games of chance did not deduce from that a tip that they should never touch liquor or a card, and that they should beware of temptations that other men of temptations that other men. We and gotten away with it.

Year after year we go on supporting the shiftless and yanking drunkards out of the gutters and putting up with the tantrums of into perpetual high gear. Those the vile-tempered because we are who came into the world with weak

Gerald Helmbold will be best man, and Capt. Philip A. Helmbold will be the groomsman.

Mr. Colman and his bride will leave for a month's motor trip and will make their home in Minneapolis, where he is in business.

Mr. and Mrs. Edward Colman, of La Crosse, parents of the bridegroom. will go to Baltimore for the wedding.

Mrs. Charles W. Allen and her of the bride and the committed to the hanuccination that he are too intert and selfish to try to help themselves.

Who came into the world with weak constitutions did not make a study of hygienic living so they might ward off disease.

The high-tempered woman and the extravagant woman never dreamed that the knowledge of the make another effort to help those who are too inert and selfish to try to help themselves.

Worse still, the heredity myth exerts a paralyzing effect on those who think that they are its forgational victims. There is no doubt Just how much there is in her-

Just how much there is in herthrough their veins, exerts a ma-lign influence on many people and prevents them from being the decent, forthright citizens they might be.

the use of a little will power. doesn't matter what is in the blood as long as there is enough strength in the backbone to fight it.

WITH MIDSHIPMEN

Students From Battle-Reservation.

ANNAPOLIS, Md., Aug. 30 .- From he calm that has prevailed since the lose of the naval academy for the egular academic term in June, the grounds of the government reservation were transformed into a bed hive of activity for a while today. due to the disembarkation of the 1,700 midshipmen, who have just returned from their annual summer ractice cruise to foreign waters board warships comprising battleship squadron No. 2 of the Atlantic

Eagle boats, submarine chasers launches and steam cutters of the mosquito fleet attached to the academy were pressed into service to get the embryo naval officers ashore as promptly as possible. Landings were made at various points along the docks and seawalls of the reservation. Once ashore there was a great rush among the students to get their personal effects together then another rush to the various clothing establishments in the city to get their "cits" clothing, ordered before they left on the cruise early in June. A great many of them, however, elected to start on their leave in their fatigue uniforms of leave in their fatigue uniforms of
